

ACCESSIBILITY EDUCATION OFFERINGS

We can bring the seminars listed below to your office, organization, or group. **The descriptions are a starting point: these offerings can be customized to meet the interests and needs of your staff or participants.** Seminars include a PowerPoint presentation, videos, printed resources, and mobile demonstration unit for hands-on learning.

For information, contact Carolyn at 216.231.0990 or anderson@mahohio.org.

Aging in place...on a budget!

Audience: Adults of any age, with a potential focus on seniors and/or caregivers

Content: Covers accessibility basics in every area of the home, focused on solutions that help increase safety and efficiency. Also includes costs, resources, and working with contractors.

Length: Two to three hours

Alternatives:

- An abbreviated version (20-30 minutes) covers just 12 features that cost under \$100.
- "Considerations for your parents" (1 to 2 hours) focuses on features and considerations for the adult children of aging seniors.
- "Focus on the bathroom" (2 hours) gets deeper into bathroom modifications.
- "Focus on the kitchen" (2 hours) gets deeper into kitchen modifications.

Accessibility 101: Buying and selling homes for seniors and people with disabilities

Audience: Real estate agents

Content: Provides an overview of fair housing regulations and etiquette concerns when working with clients with disabilities. The primary content covers accessibility principles, basic home accessibility features, and how to work with buyers in need of accessibility.

Bonus: Course is approved for 3 CEUs (civil rights)

Length: Three hours

Accessibility 201: Ensuring Client Success at Home

Audience: Occupational and physical therapists

Content: Covers the home accessibility features and resources clients need to stay safe and healthy in their own homes. Content includes assessments, basics of home accessibility, helping clients and caregivers make home modification decisions, and identifying local resources.

Bonus: Course is approved for 4 CEUs

Length: Four hours

Alternatives:

- An abbreviated version (20-30 minutes) covers just basic, low-cost features and solutions

Accessibility for volunteers with physical disabilities

Audience: Nonprofit organizations and government agencies

Content: Covers basic accessibility and etiquette considerations for nonprofits that work with people with physical disabilities, including volunteers, Board members, consumers, and staff.

Length: One to two hours
