

We can bring the workshops listed below to your office, organization, or group. **The descriptions are a starting point: these offerings can be customized to meet the interests and needs of your staff or participants.** Seminars include a PowerPoint presentation, discussion, printed resources, and mobile demonstration unit for hands-on learning.

For information, contact Beth or Nusaiba at 216.231.0990 or anderson@mahohio.org.

Aging in place...on a budget!

Audience: Adults of any age, with a potential focus on seniors and/or caregivers

Content: Covers accessibility basics in every area of the home, focused on solutions that help increase safety and efficiency. Also includes costs, resources, and working with contractors.

Length: Two to three hours

Alternatives and variations:

- An abbreviated version (20-30 minutes) covers just 12 features that cost under \$100.
- "Interior and Exterior" (1-2 hours) focuses on modifications outside and throughout home.
- "Focus on the bathroom" (1-2 hours) gets deeper into bathroom modifications.
- "Focus on the kitchen" (1-2 hours) gets deeper into kitchen modifications.

Accessibility 101: Buying and selling homes for seniors and people with disabilities

Audience: Real estate agents

Content: Provides an overview of fair housing regulations and etiquette. Core content covers accessibility principles, basic home features, and how to work with buyers in need of accessibility.

Length: Two hours – approved for 2 CEUs

Accessibility 201: Ensuring Client Success at Home

Audience: Occupational and physical therapists and assistants

Content: Covers the home accessibility features and resources clients need to stay safe and healthy in their own homes. Content includes assessments, accessibility features, and decision making.

Length: Four hours – approved for 4 CEUs

Alternative: An abbreviated version (20-30 minutes) covers low-cost features and solutions.

Accessibility 301: Understanding Individual Needs

Audience: Social workers and case workers

Content: Covers basic home accessibility features and resources, as well as how to work with clients, caregivers, and other parties in making home modifications a reality.

Length: Two hours – approved for 2 CEUs (LSW, LISW, LISW-S)

Accessibility in Rental Units

Audience: Property managers and service coordinators

Content: Covers best practices and regulations on accessible units in multi-family housing. Content addresses how MAHO meets typical reasonable modification requests and ensures great accessibility on a limited budget.

Length: One to two hours
