# Join MaxHousing’s Board of Directors

Our mission is to advance accessibility, independence, and inclusion in homes and communities.

## How does MaxHousing meet its mission?

We own and operate fully accessible and affordable Vistas Apartment Communities and through our Accessibility First Program.

## What does the Board of Directors do?

The volunteer Board of Directors supports MaxHousing’s mission by providing vital oversight of its programs, services, and financial resources. This involves participating in Board meetings, helping at MaxHousing events, and sharing our mission with others. The Board has several committees dealing with more specific aspects of our operations and are another way to get involved.

## Who can join the Board?

We are looking for people passionate about serving people with disabilities. Our Board would benefit from the following areas of expertise:

- Medical and Healthcare
- Human Resources
- Marketing and Sales
- People with lived experience with disability are encouraged to apply.
- Finance and Accounting
- Law
- Development and Fundraising
