

# Accessibility First Housing Connector

The Housing Connector is meant to bring together people needing accessible rental housing with existing accessible units in the community.

## Do you need accessible housing?

The first step in the process for the Housing Connector is to fill out a preliminary application.

The Housing Connector will help ensure that these rare and difficult to locate accessible units get filled appropriately.

For more information or to fill out an application, go to our website: [maxhousing.org](https://maxhousing.org) or email [info@maxhousing.org](mailto:info@maxhousing.org)
