

Vistas Apartments

Fully accessible apartments for people with mobility disabilities

All of the Vistas Apartments are fully accessible with rent subsidies so tenants pay only 30 percent of their income toward rent. Utilities, except for optional phone and cable, are included in rent. These communities have 24 to 40 one- and two-bedroom units. Each building has automatic exterior doors and on-site parking. They are all located near shopping areas and public transportation.

Sheffield Vistas in Sheffield Township

Meadow Vistas in Avon Lake

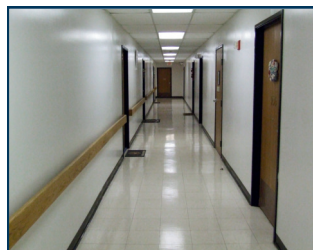

Lake Vistas in Mentor-on-the-Lake

Cotman Vistas in Cleveland's University Circle

Pine Tree Vistas in Parma

The Vistas Apartments are for people with physical disabilities. All units and common areas are designed for full accessibility, including wheelchair-accessible kitchens and bathrooms.

- Wide doorways and halls
- No steps or barriers to enter
- Roll-in showers
- Handrail in common area hallways
- Low kitchen counters and cabinets
- Sinks at wheelchair level and open underneath
- Laundry room with front-loading machines
- Outdoor patio area with accessible picnic benches
